

Customized Zoom Background

Recognize your hotel's health security verification using the customizable Zoom background.

Customize your background

1. Open up the PSD file included in this pack in Photoshop
2. In the menu bar, go to File and select Place
3. Choose an image of your property that you would like as the background
4. In the menu bar go to Window and select Layers. When the Layers panel opens up, select the image layer and make sure to move it under the locked logo and gradient layer
5. Save as a JPEG file, making sure the file size does not exceed 5MB
(Zoom recommendation)

Using your Zoom background

1. In the Zoom app, select your profile icon in the top right hand corner
2. Select Settings from the drop down menu and then select Virtual Backgrounds
3. Select the + , Add Image and choose your image
